## Opis produktu

Darkthrone hail from Norway and for the past decade have been at the forefront of the infamous Black Metal movement - quite an achievement for a band who have only ever played a handful of live shows.

Transilvanian Hunger is Darkthrone's classic 4th album from 1994.

Controversy surrounds the album, as amongst the writing credits is Varg Vikernes of Burzum, who achieved infamy when he was tried and found guilty of murdering Euronymous.

Stranger still, Euronymous introduced Darkthrone to Varg.
