Dead Head was formed in 1989 in the Zwolle/Kampen area in The Netherlands. Straight from the start the band portrayed a hard working ethic and

released several demos and did a ton of live shows. The band also released two full length albums before they started working on their
soon-to-be-classic third album ‘Kill Division’. This album was the epitome of brutal riffs, pounding drums, aggressive vocals and finally accompanied
by a production that was able to compete with the big names in the thrash metal genre. This neck-breaking, gut-wrenching piece of ungodly art
shook the scene but was unfortunately met with lacking promotion and a decent distribution. Luckily in 2020 ‘Kill Division’ will be re-issued on 2-CD
and LP by Petrichor so the world can re-acquaint itself with this masterpiece of sheer brutality and refined haunting melodies.
