Opis produktu

Dead Heat is a crossover hardcore band from *Oxnard, CA*. The band was formed in *2016* and is known for its high-energy live performances and aggressive sound that draws influences from various subgenres of *punk* and *metal*.

Dead Heat's music is characterized by fast, thrashy riffs, driving rhythms, harmonious leads and intense vocals that often veer into screamed or shouted territory. The band's lyrics typically deal with social and political issues, as well as personal struggles and experiences.
