DEATH LIKE MASS
The Lord of Flies
The debut album of DEATH LIKE MASS is finally upon us!
After years of lurking in the deepest, darkest corners of the Black Metal underground, the entity known as DEATH LIKE MASS finally rears its head again, this time presenting us with 45 minutes of relentless Black Metal Magic. An album that will divide the herd with its unabating fury, maniacal madness and theatrical grandeur. A stab in the heart of nowadays Black Metal, this album comes at a futile time of a long lost genre, awakening spirits of old whilst never straying away from their by now signature audial Darkness.
Chaos in Order, Order in Chaos.
Death Like Mass is upon you!
