Opis produktu

DEATH's landmark *Spiritual Healing* record is nothing short of genre-defining. Originally released in 1990, *Spiritual Healing* marked a new turn in the **DEATH** discography, one which ushered in cleaner production, a new level of boundary pushing musicianship and songwriting skills that were previously unimaginable from a metal band. *Spiritual Healing* sets the standard for riffs, insane time changes and of course mainman Chuck Schuldiner's masterful guitar solos.

Now reissued as a double CD housed in super deluxe packaging featuring brand new liner notes from **DEATH** players James Murphy and Terry Butler, Chuck's sister Beth Schuldiner and Michael Poulsen (Volbeat), Disc 1 features a completely new remaster of the original album and Disc 2 contains 16 previously unreleased rehearsal, outtakes and studio instrumentals.
