Opis produktu

200x Classic Black Vinyl - *for purists who want the raw tradition in its truest form*

Shadow Kingdom Records proudly presents...

The holidays just got a whole lot heavier. Two titans of Italian Heavy Metal, DEATH SS and BULLDOZER, collide on *Jingle Hells*, now available for the first time on 12-inch vinyl cut at 45 RPM. What began as a cult underground curiosity has since evolved into a fan-favorite blend of sinister theatrics and razor-sharp speed, and this edition finally gives it the deluxe treatment it always deserved.

This special pressing doesn't just sound massive; it looks massive. For the first time ever, *Jingle Hells* features full-sized 12-inch artwork, letting the iconic imagery take center stage exactly as intended.

Whether you lean toward the theatrical occult metal of DEATH SS or the speed-driven ferocity of BULLDOZER, this release captures the unholy spirit of both in a form that feels larger, louder, and heavier than ever before.

Pressed in an ultra-limited run of just 500 copies worldwide. Once these are gone, they're gone forever. A true piece of Italian Heavy Metal history!
