Opis produktu

Solid black vinyl limited to 250 copies.

Ultra-deluxe 30th anniversary version. Italy's undisputed kings of evil, the godfathers of Horror Metal! Top quality extended reissue of their cult live album from 1992 with 5 bonus tracks, 2 of which were previously included only on the CD/MC versions + 3 completely unreleased ones, allowing us to listen for the first time ever to the entire set-list of the "Heavy Demons Tour" as performed on stage in 1992!! Considered by many as one of the best sounding live albums in the history of Metal, both for the stunning sound quality and the incredible stage presence and delivery of these gruesome monsters holding the sceptre of the most iconic and legendary band in Italian heavy music since 45 years! Housed in a luxurious trifold jacket with embossed titles and red foil stamping logo. Massive 12"x12" full colored booklet with over 200 unpublished photos and liner notes, supervised and approved by Steve Sylvester in person...
