Opis produktu

Duplicate Records & Screaming Skull Records are extremely proud to present one of the truly legendary recordings of early DEATH METAL on vinyl, namely DEATH STRIKE's one and only FUCKIN' DEATH!

DEATH STRIKE was founded by genre spearhead Paul Speckmann in 1984 and existed only for a short period of time. Thankfully, that short period was sufficient to bestow one of the most innovative, uncompromising and influential recordings upon the unsuspecting world; the four track Fuckin' Death demo. Speckmann would go on to reform MASTER with the original members, who would adopt the material, yet the original recording has remained a timeless classic throughout the decades. Originally released by the band themselves, on tape in 1985, and re-released numerous times with added bonus tracks, this is the first time the sole demo is released as a standalone 12" vinyl MLP, with new, great artwork designed by Darktool Arts. No bonus tracks, bells or whistles, only FUCKIN' DEATH.
To be released spring 2022 on limited red, blue and black wax including insert with liner notes by Paul Speckmann himself, this will be the definite vinyl edition of this undisputable DEATH METAL CLASSIC!
Ltd. 150 copies on 45 RPM one-sided red vinyl with insert.
