Opis produktu

Switzerland's **DEATHCULT** see their crushingly great debut "*Demo '12*" released via **Invictus Productions** on a CD version. "*Demo '12*" was originally released in 2012 on cassette by **Invictus**, this special reissue comes as digipack with debossed logo, new cover artwork and one bonus track.

The demo features vocalist/guitarist **Ketzer**, who after the release of the EP "*Pleading For Death...chocking On Life*" left the band to focus on **BÖLZER**. If you missed our interview with **O. Ketzer** and **M. Goathammer** you can read it by clicking [here](#). **DEATHCULT** are currently working on the debut full-length. "*Demo '12*" tracklist reads like this:

Intro
Deathcult
Beasts of Faith
Deus Bonus Est
Summoned [Bonus Track]
