### Opis produktu

**BACK IN STOCK AFTER YEARS OUT OF PRINT!**

Disregarding the traditional conventions of Death Metal, Decapitated take the genre to a new plateau of invention on 'Organic Hallucinosi'. Progressive in the truest sense, every element is designed to challenge the blueprint in terms of production, arrangement and delivery. Disregarding those who feel the genre is stale, Decapitated's singular vision has found its focus in the most adventurous of ways, leaving the band as the only credible flagbearers for the modern Death Metal movement.
