Opis produktu

DECEITOME Formed in 2015, Deceitome are a 5-piece Old School Death Metal band from Tallinn, Estonia.

Heavily inspired by the Stockholm scene of the 90s, Deceitome offer their own take on the old-school death metal sound, effortlessly blending the styles of a band like Bolt Thrower with the dark undertones and vocal delivery more akin to Incantation.

In 2016, Deceitome released their debut album called Death is Called Ethos, which got the band some attention and underground acclaim.

Raw Skull Reocrdz in conspiracy with **Redefining Darkness** are proud to announce Deceitome's brand new EP, Flux of Ruin, which finds the band sounding stronger and more confident than ever!! Prepare yourselves for Armageddon!!!!

Releases August 2, 2019 Recorded Mixed/Mastered by Are "USB" Kangus of Walter Productions, along with assistant engineer Karl Korts, at Tallinna Linnahall during 2018-2019.
