Opis produktu

Deconsecration was formed in the fall of 2019. The band was originally started by Moises Pimentel, H. Murder, and Dylan Benedict in Georgetown, a neighborhood in south Seattle, Washington. In the beginning of 2020, Jordan Garcia and Zach Raphael joined the band to complete the full lineup. Deconsecration include ex-members of Capitalist Casualties, Catheter, Wilt, Hideous Creep, and Foul.

Now, after a demo, live album, and split album with Re-Buried, Deconsecration will release their debut full-length, Crypt Lurker. Deconsecration’s heavy riffs will drive the listeners to a path of mid-tempo/death-grind with obscure passages. Crypt Lurker is highly recommended for fans of OSDM who delight in Asphyx, Grave, and Bolt Thrower as well as followers of the current Pacific Northwest underground death metal scene.
