Opis produktu

Single LP Jacket with Double-Sided Insert and Download Card Included

Carbonized Records presents the official reissue of "Emetic Communion", the debut album from Decrepisy! Features four tracks of Savage Regressive Death Metal. Disgorged from unimaginable trauma of pain and loss, Decrepisy's heavy, brick-walled sound of death, captures the burdened grief of stillborn souls straight from ancient ossuaries and fetid human tombs. Disinterring early Grave, Convulse, and Incantation, their sound is drenched in dark, brooding solos that open up veins and riffs that purify through rot
