## Opis produktu

Defecation is a death metal -grindcore cult band formed by Righteous Pigs guitarist Mitch Harris and then-Napalm Death drummer Mick Harris in 1987. Mitch Harris was the guitarist, bassist and vocalist while Mick Harris was the drummer and vocalist as well. They released ‘ Purity Dilution’ on Nuclear Blast Records in 1989. Shortly after the release of Purity Dilution, Mick left the band, as well as Napalm Death in 1991. Mitch Harris and Jesse Pintado joined Napalm Death, and Defecation was put on hold. After the debut the band recorded a three track promo for the second album, which never happen as Mick left. Extensive liner notes by Olivier ‘Zoltar Badin (Cradle of Filth, Dark Funeral, Cathedral) with Mitch. Unreleased promo 1990 as bonus. Recorded at Birdsong Studios UK (Napalm Death, S.O.B., Prophecy of Doom, Extreme Noise Terror). Produced by Steve Bird.
