Dutch Metal classic remastered!

An absolute highlight of 80's Speed/Power Metal finally available again.

"City Ad Mortis", the long-lost 80's classic from Dutch Speed/Power Metal legends Defender!

Originally released in 1987, "City Ad Mortis" is remastered and finally available again!

From the explosive opener "City Ad Mortis" to the galloping "Deadly Peril" and the epic "In The Beginning," each track is a powerhouse of raw energy, heavy riffs, and Simon Menting's soaring, fierce vocals.

The bonus tracks are three newly recorded classics by the original band.

After 38 years this album is finally available on vinyl again (and, of course, available on cd as well)!

Line up:

Remco Bouwen - Drums

Simon Menting - Vocals

Henk Verheul - Guitar

Stef Kohler - Guitar

Harm Noort - Bass

- Finally available again on vinyl after 38 years
- Remastered and restored from the original test pressings
- Coming with 3 new recorded bonustracks
