Opis produktu

ERP in co-opreration with Night Shroud Records presents the new MLP from Danish death metal band DEIQUISITOR

Coming not too long after the excellent third album "Towards Our Impending Doom" (2019 - Dark Descent / Night Shroud) DEIQUSITOR are back with yet another load of brutally fast and dark death metal, clearly following the evolution in their sound heard on their last album, but with even more complex, yet memorable song writing this time around

"Humanoid" offers 6 new songs that'll please any fan of the band so far and for those still missing out this should work as a great entry too

This is the Cassette version, comes on either white cassette housed in white / clear case or on black cassette housed in black / clear case
