Opis produktu

If you are looking for the heaviest, fastest, most violent thrash metal, you shouldn't miss picking up DEMOLITION HAMMER's highly sought-after first two albums "Tortured Existence" (1990) and "Epidemic Of Violence" (1992). Finally available again from Century Media Records in coloured vinyl editions, these merciless albums by the legendary New York outfit, who have been reunited for acclaimed live-appearances across the world since 2016, feature the band's trademark rabid vocals, ripping riffs, furious high-paced beats, headbanging-friendly moshparts and brutality en masse. After being out of print for several years, you can now grab these definitive versions of "Tortured Existence" and "Epidemic Of Violence" at a fan-friendly price again! Thrash or be thrashed!!!
