Opis produktu

Gatefold LP + Poster Featuring members of Akitsa and Ash Pool.

Antichrist Rise to Power is a violent declaration of allegiance to the Emperor's dominion, from the mud-covered skeletons of Marengo to the jagged cliffs of St. Helena. The noble acceptance of forced exile, the inescapable chill of the prison cell, and the cruel rush of combat all fill the aristocrat's appetite for his boundless quest for honor. Napoleon's coronation—the Anti-Christ's ascent—left the earth damp with the crimson blood of elitism. The soldier becomes the Emperor, deified and worshipped, then confined, and cast out from nobility to imprisonment, the dim light of Europe lost against the impenetrable cascade of invasion.
