Thuringian melodic death metal trio DESERTED FEAR will release their brand-new full-length record “Doomsday” on March 4th 2022. Fans of the previous release “Drowned By Humanity”, which conquered the Top 20 of the official German album charts, may rightly expect the desired melodic death metal inferno we know from DESERTED FEAR. The album will be available as Ltd. CD Digipak, Ltd. Gatefold LP and Digital album. The Ltd. CD Digipak features two bonus tracks “Funeral Of The Earth” and a cover of In Flames entitled “Artifacts Of The Black Rain”, which is known as an absolute classic in the melodic death metal scene.
