Opis produktu

Limited Orange Vinyl

Never before on LP, Svart Records are happy to release this cult Florida Death Metal album on limited vinyl. 500 copies, orange vinyl.

The second wave Florida Death Metal act Diabolic produced this album of unholy death metal in 2003 against unspeakable odds, after losing two original members. The remaining trio hired new guns into the fold and transformed frustration into creativity.

On Infinity DIABOLIC got rid of all black metal influences, recruited a new drummer and got Ed Webb, the vocalist on their first album, back into the fold.

In musical terms "Infinity Through Purification" marks a new level of brutality, speed and technical skill for DIABOLIC yet they manage to retain the concise and memorable song structures and the old school darkness of their previous releases.
