Opis produktu

Lamech Records, in conspiracy with **Amor Fati Productions**, is proud to present **Die Kunst der Finsternis'** highly anticipated third album, *Revenant in a Phantom World - (Queen of Owls Addendum)*, on limited vinyl LP and cassette tape format.

Vampiric in singleminded intent, draped in black shining leather, here does Die Kunst der Finsternis continue its inexorable ascent, its glorious rebirth into more muscular and dynamic directions. Forever a forgotten soul lost in space and time, Revenant in a Phantom World - Queen of Owls Addendum is experimentation and expressionism writ large, dark poetry of the night rendered in its most robust form.

- 350 grs jacket with 3mm spine.
- 180 grs heavyweight black 12" vinyl.
- 21 x 21 cms 8 page booklet with lyrics and artwork.
- The vinyl version is strictly limited to 300 copies.
