Opis produktu

Enthrone Darkness Triumphant by Dimmu Borgir is a landmark symphonic black metal record that combines aggressive riffing with epic keyboard arrangements and a dark, atmospheric sound. Enthrone Darkness Triumphant by Dimmu Borgir blends fast black metal with epic keyboards, dark atmosphere, and memorable melodies—aggressive, majestic, and surprisingly accessible. Released in 1997 as the band’s first album on Nuclear Blast and produced by Peter Tägtgren, it marked their international breakthrough and brought them significant chart success, expanding their presence in the metal scene. A key highlight is the track Mourning Palace, whose anthemic melody and strong structure made it the album’s most recognizable song and a major factor in its popularity. Now available as Ltd. Edition Black Green White Crusher Vinyl incl. 12 page booklet in Gatefold, limited on 500 copies worldwide.
