Opis produktu

DIOCLETIAN, always reigning within the echelons of the predatory/apex of the extreme unrelenting war metal movement have resurged with founder/guitarist Atrociter unearthing the band with a new formation and sense of purpose. The result being the New Zealand unit?s most primal, barbarous, unhinged yet remorselessly calculated and violent album ?Amongst The Flames Of A Burning God? to be released on CD/LP/Digital/Cassette on August 16.

Five years since their acclaimed ?Gesundrian? LP (Osmose Productions) which saw the New Zealand war machine reach a certain summit, ?Amongst The Flames Of A Burning God? resurges the DIOCLETIAN sound canvas with a newfound sense of ferocity, rawness, and artistry all while regressing back to the impressions and atmosphere witnessed on their debut ?Doom Cult? LP (released ten years ago on Invictus Productions). To achieve this regeneration, the new DIOCLETIAN lineup aligning with Atrociter consists of vocalist/bassist R.W., drummer E. M., guitarist M. H., and none other than vocalist Impurath (of notorious Black Witchery fame) completing the stronghold.
