DISGRACE Grey Misery LP RED [VINYL 12"]

Cena	**114,90 zł**
Dostępność	**Dostępny**
Czas wysyłki	**5 dni**
Producent	**Svart Rec.**

Opis produktu

30 years anniversary release.

Finnish death metallers **Disgrace** released a bunch of demos and one EP before their first full-length album, "*Grey Misery*," which was released in 1992. The Finnish metal scene was flourishing with releases during those days—many of them are recognized as immortal classics among die-hard maniacs around the world: *Slumber of Sullen Eyes*, *Member of Immortal Damnation*, *The Karelian Isthmus*, *Children of the Scorn*, to name a few. And, of course, *Grey Misery*!

A bunch of classic albums, each with its own distinct sound and style, emerged during that time. **Disgrace** stepped up their game from their demo days, recording and mixing *Grey Misery* at **Timo Tolkki**'s TTT studio in May 1991. It was originally released on vinyl, CD, and tape by the **Modern Primitive** label in 1992. The band remembers that everything went smoothly during the recording process. It is evident that **Disgrace** practiced a lot and sharpened their songwriting skills without compromising the brutality in their delivery. *Grey Misery* takes the listener through nine tracks of organic, gloomy, groovy, and heavy-as-hell grinding death metal. **Jukka Taskinen** and **Toni Stranius**' guttural double vocals still remind us of **Bill Steer** and **Jeff Walker** from **Carcass**. Some of the riffs also bear a resemblance, no doubt about that, but **Disgrace** managed to present their own blend of Finnish brutality with groove and almost prog-rock-like technical parts in some tracks. After *Grey Misery*, **Disgrace** decided that their days of death metal were over and transitioned to a brighter style with garage punk and rock'n'roll. That is a whole different story altogether.

To quote Hellhammer's **Tom G. Warrior**: "Only death is real," and with that in mind, **Svart Records** is about to release this slab of Finnish death metal history as a facsimile vinyl from the original 1992 pressing.

Grey Misery will be released as black vinyl, transparent red vinyl and limited red / silver marble vinyl editions - and of course on glorious CD! Out on November 8th.

My Dark Paradise

Unity's Interlude Dyes Blind Tomorrow

Abtruse Myth

Obscurity In The Azure

The Chasm

And Below Lies Eternity

Waves Of Hypocrisy Seas
