Opis produktu

A 2018 Peaceville CD reissue of **Dodheimsgard**'s 1998's album **Satanik Art** featuring bonus tracks.

One of the visionaries of the mid-1990's Norwegian Black Metal evolution, DHG are widely hailed as masters of dark and psychotic Psychedelic-tinged extremity. Satanik Art is considered a significant turning point for the band, as the compositions became less traditional in their structure and delivery, and became more abstract and twisted.

This edition of Satanik Art includes two bonus tracks, Black Treasure and an alternate rendition of Symptom.

- 1 Oneiroscope
- 2 Traces of Reality
- 3 Symptom
- 4 The Paramount Empire
- 5 Wrapped in Plastic
- 6 Black Treasure
- 7 Symptom (alternate version)
