### Opis produktu

Every great story has a prologue. Before the mighty ABSU, there were two occult metal manifestations: Dolmen and Magus, which together helped forge one of the most well know acts in the underground today.

THE CRYPT is proud to present continued cooperation with ABSU member Equitant for a standard LP edition of Dolmen - On The Eve Of War and will feature the original cover art and layout elements as the original vinyl edition, including lyrics, unpublished photos and liner notes. All songs were mastered for vinyl from the original analog and dat source.

Limited to 500, 175 copies will be on black vinyl.
