Opis produktu

DOOMBRINGER — Ad Compita! Official tape version, featuring the alternative cover artwork. The third full-length from the Polish occult death metal cult, and their most patient record so far. No chase for speed or downtuned weight — everything here is built on atmosphere and songwriting. Dissonant death metal riffing collides with cold black metal melody, slow ritual passages break open into tremolo, and the vocals shift between rasps, shouts and chanted invocation. Eight tracks of Eastern European filth and occult ceremony.
