Opis produktu

Raw & melancholic Black Metal!!

Limited to 400 copies.

"After "Varcolaci Rising", DTL is back on the path to the next full length (the one originally planned after "From the Abyss"), entitled "Conquer or Serve".

This path however is not a silent one.

Thus the "Paradise Slaves" EP is recorded, delving into the weakness of mankind being slaves to their delusions of paradise, enslaved by feeble dogmas of corrosive and crumbling belief systems, as well as exploring the darker mindset that some serial killers have expressed, that those they kill will become their slaves in the afterlife."
