Opis produktu

Crystal clear, red and blue marbled 12" vinyl (33 rpm) in gatefold sleeve.
Limited to 300 copies worldwide!

Handful of Stars is the eighth full-length album by Drudkh, released in 2010.
The guitar sound on this album is significantly cleaner than that on any previous album the band had released, with the exception of the band's folk album Songs of Grief and Solitude. Critics and fans noticed a strong influence from post-rock and such bands as Alcest.
Again, for lyrics was used the poetry of Ukrainian authors, such as Oleksa Stefanovych and Svyatoslav Gordynskyj.

For fans of HATE FOREST, IMPERIUM DEKADENZ, BURZUM, AGALLOCH.
Artwork by Fursy Teyssier.

Tracklist:
Side A: Cold Landscapes / Downfall Of The Epoch / Towards The Light
Side B: Twilight Aureole / The Day Will Come / Listening To The Silence
