Opis produktu

CD in deluxe Digipak printed on unfinished, heavy card stock with 16-page booklet printed on offset paper.

DRUDKH is a venerated entity in the realm of atmospheric and pagan black metal. Renowned for their evocative storytelling and profound musical compositions, DRUDKH stands as a paragon of artistic depth, seamlessly melding the corporeal with the ethereal.
With ‘Shadow Play’, DRUDKH offers a mesmerizing odyssey through themes of exile, the cyclical dance of life and death, and a poignant yearning for one's origins. An album which invites you into a realm where silence battles storm, and light intertwines with shadow. A 6-track journey - "Scattering the Ashes" stirs the soul with its introspective melancholy, while “April” envelops you in a meditative trance. The narrative evolves with “The Exile”, capturing the essence of displacement, and continues with the poignant echoes in “Fallen Blossom”. “The Eve” stands as a meditative contemplation on life’s fleeting beauty, and the expansive “The Thirst” culminates this exploration with a profound reflection on human yearning.
‘Shadow Play’ is an evocative experience that challenges you to confront your shadows and revel in the intricate dance of light and dark. Let DRUDKH’s newest release illuminate your path through the bleak human experience.

For fans of AGALLOCH, WINTERFYLLETH, SAOR.
