The Swan Road is the third album by band Drudkh, released in 2005.
It is characterized by shorter songs and more prominent lyrics than are found on previous Drudkh releases with an increased use of distortion in the mix and more frequent usage of blast beats.
The lyrics are all taken from the epic poem Haydamaky, by Ukrainian national poet Taras Shevchenko, about the Ukrainian anti-Polish peasant rebellion of 1768.

For fans of HATE FOREST, IMPERIUM DEKADENZ, BURZUM, AGALLOCH.
