Opis produktu

For the first time on standalone vinyl, we present Wisconsin based Doom/Death act DUSK! We've decided after speaking with the original band members to go for the cream of the crop and include only the band's amazing 1995 sophomore masterpiece "...Majestic Thou in Ruin".

This LP features the original Cover art as well as lyrics, new liner notes, exclusive band photos and original layout elements designed after the original CD with attention to detail, even down to the logo and typeface for a touch of nostalgia.

Limited to 500 copies, 150 on swamp green wax.
