## Opis produktu

After almost 30 deathly years, EDGE OF SANITY’s unsung seventh album, “Cryptic” from 1997, is available for the first time on LP (Dark green 180g vinyl) and again on Ltd. 2CD (8 + 10 bonus tracks) with O-card. Featuring a brutal set of groove-laden songs, including “Hell Written”, “Uncontroll Me”, “Not of this World” and “Bleed You Dry”, this definitive re-issue edition features then new vocalist Roberth Karlsson (also Pan.Thy.Monium, now Scar Symmetry), who replaced original vocalist Dan Swanö. “Cryptic” was now remastered by Swanö (Opeth, Dissection, Incantation) himself and is a unique look into EDGE OF SANITY’s storied yet innovative history. Old-school fans and new devotees to the faithful will hear the Swedes in a new light. Every ounce of sanity is pulverized on “Cryptic”!
