Opis produktu

EDGE OF SANITY’s genre-breaking, career-defining third album from 1993, “The Spectral Sorrows”, is available again on LP (13 tracks) and Ltd. 2CD (13 tracks + extra CD with 14 bonus track) with O-card. Songwriter/frontman/producer Dan Swanö (Opeth, Dissection, Bloodbath) sourced the original audio files and hardware to painstakingly remaster (LP/CD) and remix (CD) “The Spectral Sorrows”. This ultimate edition also includes a new remix of the old demo-track “Pernicious Anguish” as CD-bonus and the full publication of Dan Seagrave’s striking cover artwork. First issued incredible 31 years ago, EDGE OF SANITY blazed new trails on “Sacrificed”, “Darkday”, “The Masque” and Manowar cover song “Blood of My Enemies”. Longtime fans and new devotees to the faithful will hear EDGE OF SANITY as true pioneers on “The Spectral Sorrows”, possibly one of the most multifaceted death metal releases of all time.
