Digipack CD

Comes in a 4-panel digipack w/ a 12-page booklet. First batch comes in black polycarbonate CD.

The specially commissioned debut album from **EITRIN** brings together the talents of *Vindsval* (**BLUT AUS NORD**), *Marion* (**MÜTTERLEIN**) and *Dehn Sora* (**THROANE**) to celebrate 20 years of Debemur Morti Productions in fittingly unique and defiant style.

An instinctive record, written and recorded over a short yet intense period, "***Eitrin***" puts *Marion*'s impassioned lyrical/vocal fury centre stage, reaching new heights when recontextualised amidst the inimitable cold melodies and otherworldly textures of *Vindsval* while supported by the unhinged howls, choral melancholy and painterly atmospherics of *Sora*.
