Sevan Mater proudly presents:

Endstille - Infektion 1813

Endstille's Infektion 1813 is an absolute powerhouse of relentless black metal aggression. From the very first note, this album grips you with its unyielding intensity and refuses to let go. The razor-sharp riffs cut through like icy winds, while the thunderous drumming drives each track forward with a merciless precision.

Tracks like "**When Kathaaria Falls**" and "**Endstille (Völkerschlächter)**" showcase the band's signature rawness, blending chaotic energy with cold, calculated atmosphere. The production strikes a perfect balance – gritty enough to maintain the genre's authenticity yet clear enough to let every blistering guitar line and bone-crushing blast beat shine through.

Vocally, **Zingultus** delivers a savage performance, his voice a tortured growl that channels pure hatred and despair. Each track feels like a battlefield, evoking the album's wartime themes with chilling effectiveness. **Infektion 1813** stands as a testament to **Endstille's** ability to craft ferocious yet memorable black metal. For fans of extreme music seeking a sonic assault that leaves no survivors, this album is an essential listen.

Prepare to be overwhelmed.

This album is re-released in a Deluxe vinyl edition in two marbled colors: Marbled White/Black and Black/Red vinyl, each edition is limited to 500 copies.
