Opis produktu

2025 VERSION

This 1997 compilation collects three of Entombed''s classic EPs in full (namely, 1991''s Crawl, 1992''s Stranger Aeons and 1994''s Out Of Hand) alongside some other rarities and unreleased gems. Featuring a diverse array of covers of bands like Repulsion, Kiss, Unsane and Roky Erickson alongside the band''s own material, this compilation gives a great insight into the myriad of influences that went into creating Entombed''s unique sound..
