ENTOMBED - INFERNO (Remastered Edition)

Entombed's 2003 inferno burns anew. Remastered and reignited, this definitive edition unleashes one of the band's dirtiest, most aggressive, and groove-soaked records - where gritty riffs, doom-laden heaviness, and punk-edged energy collide.
Produced and mixed by Per Gunnefeldt (Fireside, also associated with Viagra Boys), the album now returns with a powerful new remaster by Magnus Lindberg (Redmount Studios, known for The Hellacopters, Cult of Luna, Refused, Alcest, and more). The result is sharper, denser, and more forceful than ever - preserving the grainy guitars and thick low-end rumble that define Entombed's trademark sound.
A longtime fan favorite and a bold detour in their catalogue, Inferno showcases Entombed's ability to weave raw death 'n' roll power with punk grit and a heavy, sinister swing. Signature tracks like "Retaliation," "The Fix Is In," "Incinerator," "Young & Dead," and "That's When I Became A Satanist" mark the album's feral intensity.

Formats:
* 2LP + Cassette editions feature 14 tracks, including the bonus cut "When Humanity's Gone" between "That's When I Became A Satanist" and "Nobodaddy."

* CD edition includes 13 tracks, closing with "Night For Day."

As Swedish Music Hall of Fame inductees and founders of Scandinavian death metal, Entombed forged a legacy that shaped generations of heavy music. Inferno stands as one of their darkest, most visceral statements - now restored for maximum sonic impact.
