"Glow in the Dark" Vinyl version

Eagerly awaited reissue of "Morningstar", the all-time classic and seventh full-length album from Entombed, the pioneers of Scandinavian Death Metal.
Blending elements from Death Metal and Thrash Metal with their patented Death''N Roll sound, it''s considered one of their more experimental albums.
Out of print since it''s original release in 2001, it''s finally available again, now remastered by no one other than Magnus Lindberg at Redmount Studios (Hellacopters, Alcest, Cult of Luna, Imperial State Electric, Misery loves Co, Lucifer, Dool, Refused, etc.).
