Entrails are back with their 8th album and the 90´s soul is brought back for the massive HM-2 sound and their passion for classic old school Death Metal!
Swedish Death Metal attack Entrails are back with their new album “Grip of Ancient Evil”! No trends. No polish. Just the purest form of old school Death Metal: HM-2 buzzsaw guitars, bludgeoning rhythms and horror drenched lyrics!

Following the critically acclaimed “An Eternal Time of Decay”, Entrails digs deeper into the grave, delivering some of their darkest and most savage material to date.
Tracks like “Wings of Death”, “Untreatable Decay” and “Skin ‘em All” hit with relentless force!

It’s the sound of tombs cracking open, of ancient evil rising once again.

Entrails continue to wave the flag of true Swedish Death Metal once again!

• Featuring guest vocals from Per “Hellbutcher” Gustavsson (Friends of Hell, Nifelheim) on “Inner Demon”
• Featuring an acoustic part from Matte Klang on “Consumed by Insects”
• Featuring the violins from Thomas von Wachenfeldt on the intro “Grip of Ancient Evil”
• Fantastic artwork by Henrik Ågren (www.instagram.com/agren.art)
• Entrails is as Swedish Death Metal as it gets, no way in denying that
• Mandatory listening of you like old Entombed, Dismember and Bloodbath
• Entrails has a huge live reputation and played festivals like Netherlands Deathfest, Obscene Extreme, Kill-Town Death Fest, Hellfest and more
