Opis produktu

The debut album of lavishly dissonant black metal from Québec's **EOS**, who have been active since 2013 and share members with fellow countrymen DÉLÉTÈRE, as well as a former live member of FORTERESSE.

EOS first appeared on the SVN OKKLT COMPILATION in 2013 then followed that up with the L'AVALE demo in 2014. After that, they released a split with MALEBRANCHE in 2019 and began preparing for this full-length. Presented on DLP by MYSTÍSKAOS and CD by IRON BONEHEAD PRODUCTIONS
