Opis produktu

EPITAPH (Swe): The Fleshcrawl Tapes '91/'92 + Dark Abbey 'Blasphemy' Official LP (CRYPT 92)

THE CRYPT is proud to unearth the early incarnation of Sweden's EPITAPH known as FLESHCRAWL.

Best known for their amazing debut album "Seeming Salvation" as well as their Classic 1991 "DISORIENTATION" Demo, FLESHCRAWL was forged after the band's Dark Abbey (pre-Epitaph) days as a side project for material that didn't blend in with the sound and lyrical content of EPITAPH. Featured on this release is the bands' original FLESHCRAWL Self Titled Demo as well as live tracks from the same time. Expect nothing less than raw, crushing Swedish Death metal that this amazing band is best know for! Featuring cover artwork by David Zardini and booklet illustrations by Mark Riddick! First time on LP!

Additionally, this release features the Dark Abbey (pre-Epitaph band) only demo "Blasphemy". 175 on Clear vinyl.
