Opis produktu

After 25 years of silence, Swedish Death metal legends EPITAPH unleash their second album "Sinner Waketh”.

Known for their amazing "Disorientation" demo and brilliant debut album "Seeming Salvation”, we can assure you that they have only gotten better with age.

Fans need not fear that the band has churned out a disappointing "reunion" album that sounds nothing like their early material which seems to have become commonplace with many classic DM bands. Quite the opposite in fact. The original three members have stayed in touch throughout the years and have further perfected their craft.

Recorded at BOHUS Sound Recording in Gothenburg Sweden. Expect nothing but pure EPITAPH! – Brutal, rotten, dirty 90's Swedish Death metal performed and executed the EPITAPH way! Cover artwork once again painted by Necrolord himself, Kristian Wåhlin!

Limited to 500 copies, this LP will is limited to 175 on red vinyl, and will come housed in a 350 gram jacket with a 2-sided printed insert.
