Opis produktu

Limited edition of 500 copies on regular black vinyl in a beautiful gatefold sleeve.

From the mythical dark forests of Hälsingland, Ereb Altor rises again, weaving their Epic Viking Metal sound around stories from the old days of Scandinavia!
Expect nothing less than Ereb Altor’s blend of mythology, majestic riffs, and haunting atmospheres.

“Hälsingemörker” embraces the legends and mysticism of ancient Scandinavia, painting a sonic landscape that is both powerful and deeply immersive.

Sharp, epic melodies intertwined with folk elements, combined with intense vocal performances, both clean and harsh!
“Hälsingemörker” marks a new chapter for Ereb Altor, continuing their journey through the shadows of Hälsingland with some of their most epic songwriting yet.

The stunning artwork, created by Tomarúm av Christine Linde, perfectly complements the album’s athmosphere!
