ERSHETU was formed in 2021 by conceptualist/lyricist *Void* and composer *Sacr* to create cinematic music which merges epic, obscure and atmospheric Metal with the poignant dramaticism of film scores.

Evocative debut album "***Xibalba***" - which focuses upon Mayan folklore - revolves around an impeccable orchestral core swathed in folk instrumentation, from which the unmistakeable impassioned singing and entranced chanting of *Lars Are Nedland* (**BORKNAGAR**, **SOLEFALD**) soars skyward before cascading down into an arid undertow of textural Black Metal guitars performed by *Vindsval* (**BLUT AUS NORD**).
