Opis produktu

Blue moon edition, limited to 200 copies on color vinyl.

A deluxe vinyl reissue of Eternal Tears Of Sorrow’s second album.

This pressing comes in a gatefold sleeve and has been carefully remastered for vinyl.

Eternal Tears of Sorrow’s long career kicked off with the more thrash metalish debut album in 1997, but it was on the 1998 follow-up Vilda Mánnu (“Wild Moon” in the Sami language of indigenous Lapplandish people) that the band really carved their own niche amid the crowded metal scene. Hailing from Finnish Lappland, ETOS are best known for well-crafted, fierce but melancholic melodic death metal with symphonic overtones, of which this album, their Spinefarm Records debut, is a prime example.

This pressing comes in a gatefold sleeve and has been carefully remastered for vinyl.
