Opis produktu

140 grams black vinyl with 3 mm spine outer sleeve on 300 gsm carton and double sided inner sleeve on 220 gsm carton.

This album is the life work of frontman Evighet and the culmination of years of work. It’s an attempt to create the ultimate Black Metal album, an effort to open a gateway to enlightenment through blacklight illumination. With Blasphemer (Vltimas, Aura Noir, ex-Mayhem) on bass, a vocal guest appearance of Brynjard Tristan (ex-Dimmu Borgir, ex-Old Man’s Child) and members of Nocturnal Breed and Den Saakaldte in the ranks, something truly magical was crafted and it shall be heard!
