Opis produktu

CD in classic jewelcase with 12-page booklet

Re-release, no re-master, with original (optimized) layout.

Originally released in 2008, Lost Horizons of Wisdom is a hauntingly mystical black metal album, with just the right dose of ambiance mixed into the sonic journey. The album's evocative nature is matched by its flawless lo-fi production of ghostly guitars, ethereal synths, and classic 90`s aesthetics to create a truly atmospheric black metal record.
