### Opis produktu

Heidens Hart Records is proud to add another masterpiece of traditional pagan black metal to their already rich catalogue. This split album with Evilfeast (Poland) and Uuntar (The Netherlands) features new material from both projects, which has been highly anticipated for some while, to put it mildly. The Slavonic and Germanic hordes joined forces in worship of ancestral blood and soil and 30 april 2020 finally sees the call answered with arguably both bands' strongest material yet.
