Opis produktu

Limited edition to 100 copies Orange Crush Vinyl.

Chilean abyssic hellhounds EXANIMATVM once again commence the group's second ritual of fervent darkness with "Sollvm Ipsa Mor"!

With bone-crushing impenetrable riffs interwoven with a dense-fog aura of unease and dread, "Sollvm Ipsa Mor" unveils a different beast; forging into mystifying song structures with a rich reverence to occultic Death Metal.

Recorded by EXANIMATVM's Jorge Tréllez (aka K.C) with mixing and mastering duties handled by B. Nekroskull (Invincible Force, Putrid Evocation, etc). Cover artwork by Mauricio Bonacic (Agathocles, Pentagram Chile, etc).
